Dear Mr. Mirza,

I have just received a memo as below from the Dewan:--

" The question of the route on the date of arrival and on the 2nd day when His Excellency goes to Hebbal has to be taken up in consultation with the President and the Private Secretary. Please ask the President to prepare a route map and submit for consideration".

Regarding the first point, viz., the route on the day of arrival, I enclose a copy of the letter received from the Residency to-day suggesting that the route be the same as on the occasion of the visit of the Prince of Wales in 1922. This route is suitable as affording opportunities for City people and school children to view the procession. It requires a large number of police and military to line the route. The necessary arrangements were made last time and presumably there should be no difficulty this time also.

As regards the route for the second day, you wrote on the 19th instant that you hoped to settle shortly the details with the Resident. I shall be obliged by being informed whether these points have been settled.

Yours sincerely,

Amin-ul-mulk

Mirza M. Ismail, Esq., B.A., O.B.E.,

The deviation proposed is due to the existence of unsightly thatched buildings in the Bowbow Bazaar. The enquiry is whether Doddapeta road is not too narrow to close up. But there seems to be no other alternative.

CITY MUNICIPAL OFFICE,

Dated, 3rd SEPTEMBER 1923.

Dear Sir,

In continuation of my yesterday's letter No.V/1 re: route maps for the City Drives of His Excellency the Viceroy during the visit in November next, I have herewith sent in a separate cover two City Maps showing the route in colour, together with two copies of the descriptive programme of the route.

2. As mentioned in your letter, the Procession Route from the City Railway Station to the Residency is the same as what was adopted during the Visit of His Royal Highness the Prince of Wales, while the route suggested for the drive through the City is about the same as that adopted in the two previous Viceregal Visits, except for one alteration viz., after reaching the College House Square from the Palace, the route on previous occasions skirted round the old City through Cenotaph and Bamboo Bazaar roads upto

upto the Market Square, but this time it is proposed to avoid the Bamboo Bazaar Road on account of the unsightly thatched huts of Gangammacherry which lie exposed and to take His Excellency the Viceroy through the Doddapetta Road up to the Market Square. The rest of the route -- remains the same.

Yours sincerely,

To

K. Matthan, Esq., B.A.,

His Highness the Maharaja of Mysore,

No.C.102/23 dated 6th September 1923 from the District Superintendent of Police, Bangalore District, to the Deputy Commissioner, Bangalore District

---

With reference to your D.O.No.C.C.24/23 dated the 5th instant regarding the route to be taken by His Excellency the Viceroy in Bangalore City, during the forthcoming visit, I beg to state that I know the routes in detail, and I escorted His Royal Highness the Prince of Wales over ~~the~~ portions of this route. The routes for the procession from the City Railway Station to the Residency, and from the Residency to the Railway Station on the return journey may be adopted.

As regards the route for the drive through the City beg to submit that the drive through the Avenue Road is not desirable in as much as this road from the Yelahanka Gate Station up to the Market square is not only narrow but also over-crowded, with a number of lanes also opening on the road and the guarding of which would throw a tremendous strain on the Police. Every house & the low roofed shop will have to be manned by Policemen in addition to the men lining the street, and guarding the lanes; even then the anxiety of the authorities will in no way be minimised. The rule that spectators should be made to stand 30 feet outside the side drains of the road beyond the avenue trees would complicate matters.

Besides, in these days of agitation, any partial movement of hartal or exhibition of mourning such as black flags etc. on the occasion will mar the success of the drive.

It was on these considerations that the drive through this bit of road was abandoned during the Viceregal Visits on previous occasions, and the route deviated via the Jail and Engineer Office squares on to Cenotaph road, via New Public Offices and Daly Memorial Hall and on to Bamboo Bazaar road. The same may be done now also.

DEPUTY COMMISSIONER, Bangalore Dist.

SECRETARY TO THE RESIDENT IN MYSORE

V.V. 11-23-18.

To

The Chief Secretary to the Government of Mysore,

Dated Bangalore, 16th October *192* 3.

Subject:- Visit of His Excellency the Viceroy.

Sir,

I am directed to reply to your letters No. Pol. 217, dated the 8th October and Pol. 301, dated the 4th October. His Excellency will, as you say, drive to the Lal Bagh first, and after visiting the Flower Show, pass through the Fort and the City.

2. The routes you suggest are approved subject to the following modifications.

For the route from the City Railway Station to the Residency, the route will be via the under-bridge and not the over-bridge, and from the Queen's Statue the procession will proceed up the Queen's Road and not the King's Road. For the drive from the Institute of Science to the Lal Bagh and the City on the return, the route will not be along the Sumpegay Tank south bound, but from that point straight back to the Residency through Cubbon Park.

3. As regards the substitution of the route via the under-bridge ~~instead of~~ for that by the over-bridge, I am to explain that Her Excellency the Countess of Reading is not able to walk up any stairs, and it would be impossible for her to mount the 33 steps up to the over-bridge. This will

involve some re-arrangement of the usual Station arrangements, and those invited to be present at the Station should now arrive at the over-bridge entrance and leave from there. Only the cars required for the Viceregal procession and the other members of the Viceregal party arrive at the Station via the under-bridge. The luggage also will have to be conveyed from the over-bridge side.

I have the honour to be,

Sir,

Your obedient servant,

SECRETARY TO THE RESIDENT IN MYSORE.
